How It Works

Leaving: Drive into one of our valet parking lanes. We will assist you with your luggage to the shuttle pre-boarding area. Present the Counter Service Agent with your PPP card. Tell the agent your return date and time and receive your claim check. We'll park your car and keep it safe. Also, if you are parking a vehicle that is not on file with us we ask that you let our Front Counter Service Staff know so that we can identify your vehicle.

Returning: When you arrive back in Kansas City call us with your claim check number. After you collect your luggage catch one of the Thrifty Airport Parking Shuttles. Your car will be waiting for you at the side of our building. If your payment information is on file go straight to your car where you will find your receipt. Otherwise, let the counter agent swipe your card or claim check, pay for your parking and head for your car.

Bonus!!! Frequent Flyer Miles:

Once you have a PPP card you can begin the process for earning frequent flyer miles online. Go to www.parkingperks.com for information or ask us at the counter.
